Parsons Elementary

Dear Parents and Community Members,

Welcome to the 2019-20 school year. Our entire learning community is eager to welcome your children back to school for another year filled with challenge, inspiration, opportunity, and achievement.

I am proud of the accomplishments of our students, teachers, and leadership team over the past year. Once again, U.S. News & World Report recognized Harrison High School as one of the best high schools in the country. While we are proud of this achievement, we are prouder that more of our students are succeeding at the highest levels of academic rigor. Our seniors continue to gain admission to the most prestigious colleges, 92% of the senior class took at least one International Baccalaureate or Advanced Placement Course. The Harrison High School Debate Team posted another spectacular season and is ranked #4 in the country. Several senior athletes will compete in college, and the high school musical production was again nominated for best production.

Three years ago, the community supported a bond to add much-needed classrooms and instructional space as well as infrastructure repairs and upgrades. These improvements are well underway, and significant projects are complete: Guidance Center, Music Wing and eight classrooms at Harrison High School, four classrooms and expanded cafeteria at Harrison Avenue School, and a new athletic field at LMK that includes a lighted track, and a turf field for use by our school and town recreation teams. The addition at Parsons Elementary School that reflects the historic architecture of the building includes a new cafeteria, music room, classrooms, and a 5-stop elevator to improve ADA compliance, will open in time for the start of school. The expanded cafeteria and auditorium renovation at LMK Middle School will be completed in September, and continued renovation on the exterior will improve appearance, accessibility, and energy efficiency. The parking lot at LMK has been redesigned to improve safety and efficiency of student drop-off and pick up.

Our calendar is a source of information for school registration, emergency communication, and important contacts. To ensure you are receiving up-to-date information about scheduled events, please visit the online calendar on the district website (www.harrisoncsd.org), which is updated daily. We encourage all parents and community members to attend performances, games, and other school events to see first-hand our students' academic, athletic, and artistic talents.

The Harrison community's support of our schools provides extraordinary opportunities for our students to develop their unique talents and capacities. Your generosity inspires our teachers, administrators, and support staff and empowers the dreams of thousands of children. Your commitment ensures opportunities for every child to receive a rigorous and enriching education.

As I enter my 18th year as superintendent, I remain humbled, privileged and inspired to lead a public school system in a community deeply committed to preparing all of its children for fulfilling and successful lives.

Sincerely,

Louis N. Wool, Ed.D.
Superintendent of Schools

ADMISSION

SCHOOL ADMISSIONS POLICY

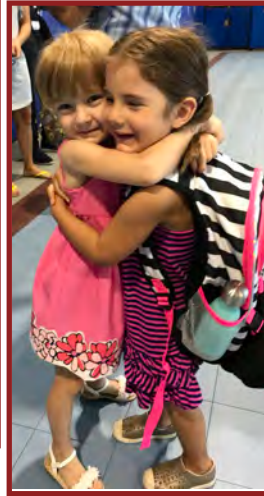

The Harrison Central School District provides a public education to all district residents between the age of five and twenty-one who have not received a high school diploma and are entitled to attend school. Proof of residency is required for registration and may be required throughout the student's educational career in Harrison Schools.

A resident student is one whose legal residence is within the boundary of the district and whose parent(s) or legal guardian have the same legal residence. Students moving into the district without his/her parents for the primary purpose of attending district schools are classified as a nonresident and are ineligible to enroll.

Any student who is admitted to the Harrison Central School District and is found not to be a legal resident will be expelled. The student's parents and/or legal guardian will be required to pay prorated fees for the period of time the student attended district schools while not a legal resident.

KINDERGARTEN ELIGIBILITY

Children who reach the age of five on or **before** December 31 will be admitted to the fall entering class of kindergarten. Registration is held in early spring. Parents must present proof of their child's date of birth and a medical record of required immunizations along with the required residency documentation at the time of registration or within two days of enrollment. A listing of the documents required for registration can be printed from our website: www.harrisoncsd.org under *Documents and Forms*. In accordance with New York State law, and District policy, this information and records are required in order to complete the enrollment process.

DISTRICT SERVICES

SCHOOL HEALTH SERVICES

All pupils of the district are provided health services in accordance with state requirements. Children entering Kindergarten, 2nd, 4th, 7th and 10th grades, or newly enrolled, are required to undergo an examination by their family physician. The form to be filled out by your physician is available on our website under *Documents and Forms*.

If a student becomes ill at school, parents will be notified. Parents are required to provide the school with the telephone number of a relative or other authorized person who can be reached if the parent is unavailable during school hours. Every effort is made to protect the health and welfare of our students. Parents should consult the school nurse when a problem arises concerning their child's health.

A record of required immunizations must be on file with the school nurse. All students must be in compliance with New York State immunization requirements for school entrance and attendance.

Medicines will not be dispensed in school without written parental permission and a physician order.

HOME INSTRUCTION

The Board of Education provides for the instruction of students confined to their home or a hospital for extended periods of time. A parent/guardian should file a written request for homebound instruction with the principal. The request must include a written explanation from the student's doctor indicating the nature of the illness, the date of the initial absence, the date the student will be well enough to start home instruction and the anticipated date of return to school.

DISTRICT SERVICES (continued)

ASSESSMENTS

The Harrison Schools provide a comprehensive assessment program for students in Kindergarten through grade 12 including all those required by State and Federal regulations. A student's results may vary and one test cannot determine the range of a child's ability or achievement. Multiple assessments are administered over the course of a student's career to provide a comprehensive picture of student growth. Standardized tests do not measure effort, motivation, organization, study habits or creativity, so other factors are used along with assessments to determine the most appropriate educational program for students.

SUPPORT SERVICES

Services other than regular class programs are provided to meet students' diverse learning needs. These services include: Early Childhood Screenings, Psychological Testing, Counseling, Social Worker Services, Special Education Programs, Academic Intervention Services, and English as a Second Language.

TRANSPORTATION (*Student Eligibility for Bus Service*)

Transportation will be provided for students in grades K-5 who live further than 1/2 mile from school and students in grades 6-12 who live further than one mile from school. Students in grades K-5 may be expected to walk up to 1/2 mile to a bus stop. Students in grades 6-12 may be expected to walk up to one mile to a bus stop. All inquiries regarding bus transportation should be made to the Transportation Office in the Louis M. Klein Middle School. The telephone number is 630-3303.

Bus schedules are sent to all students eligible for transportation.

Measurement of Walking Distances

1. Mileage from a student's home to school grounds is measured by a district vehicle.
2. Walking distances to bus stops are measured from the end of the property line of the student's own driveway to the bus route stop.
3. Walking distances to school are measured from the end of the property line of the student's driveway to the nearest available driveway of the school, or nearest school property line if the school has no driveway.
4. All walking distances are measured over publicly maintained roads, sidewalks, or paths; or, in the case of students residing in private communities, distances are measured over publicly and privately maintained roads, sidewalks, or paths.

PRIVATE AND PAROCHIAL SCHOOL TRANSPORTATION

Requests for private and parochial school transportation must be made on or before 3 p.m. on April 1, 2020, **without exception**. Application forms are available in the Transportation Office at the Louis M. Klein Middle School and on our website: www.harrisoncsd.org under *Documents and Forms*. Applications must be completed and filed annually; transportation services will not be renewed without the annual application. If district schools are closed or delayed due to inclement weather or for any other reason, then transportation to private and parochial schools will also be unavailable or delayed.

TRANSPORTATION SAFETY

Safety is the most important factor in bus transportation. All buses utilized by the Harrison Central School District are equipped with digital video recording devices that are active whenever buses are running.

Seat belts are installed on all buses. Instruction in the proper use of these seat belts will be given during the first week of school. Behavior on the bus and at the bus stop is very important. Students who behave inappropriately will lose the privilege of riding the school bus.

DISTRICT SERVICES (continued)

CAFETERIA SERVICE

The Harrison Central School District offers healthy meals every school day. A hot breakfast is available in all schools for \$1.50. Hot lunch costs \$2.00 in the elementary schools; \$2.50 for the hot lunch/\$3.50 for the specialty lunch in the middle school and \$2.75 for the hot lunch/\$3.75 for the specialty lunch in the high school. All lunch menus can be viewed on our website: www.harrisoncsd.org under *Quick Links*.

ELIGIBILITY FOR FREE AND REDUCED LUNCH

Children from households that meet federal income guidelines are eligible for free meals or reduced price meals. To apply for free or reduced price meals, submit a Direct Certification letter from the NYS Office of Temporary and Disability Assistance OR complete the application available on our website, www.harrisoncsd.org under *Food Service*. All information provided to the district is held in strict confidence.

ATTENDANCE

The attendance policy is posted at www.harrisoncsd.org, under *Documents and Forms*. Please read and understand your responsibilities as a parent/guardian and discuss this policy with your children. Parents/guardians are responsible under the School Attendance Laws of New York State for their child's regular attendance and punctuality. Illness of the child, emergency illness in the family, death in the immediate family, inclement weather and religious observations are legal absences from school. New York State law requires a written explanation each time a child is absent or tardy. This explanation should be sent with the child when he/she returns to school after the day of the absence or tardiness and must be signed by the parent or guardian. The reason for the absence or tardiness and the date(s) of occurrence should be explained in the note. If a child is out for two or more weeks, a doctor's statement must accompany the child's return to school.

DISTRICT CODE OF CONDUCT

The Board of Education is committed to providing a safe and orderly school environment so students may receive, and district personnel may deliver, high quality educational services without disruption or interference. The Board of Education believes that order and discipline is a shared responsibility among school, home and community. Responsible behavior by students, teachers, district personnel, parents and visitors is essential to achieving this goal, and is critical to a successful academic program.

This information will be released in district and school publications and programs, as well as in press releases to the local media.

Under Title 34 of the U.S. Code of Federal Regulations, Part 99, parents, guardians and students over the age of 18 have the right to refuse the release of any or all of the above information. NON-DISCRIMINATION OF THE DISABLED

It is the policy of the Harrison Central School District not to discriminate against disabled persons. No person on the basis of disability shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity which the school district operates as required by Section 504 of the Rehabilitation Act of 1973. District 504 Coordinator: Director of Special Education – 914-630-3025.

Certain applications can be made to protect individuals from an imminent danger from venomous spiders, bees, wasps and hornets. Only certified individuals are permitted to apply these materials and only when no people are in a building or on a school field. The district will notify anyone who requests prior notification 48 hours in advance of applying pesticides. The district places notification on any site scheduled to receive an application of pesticide 48 hours prior to its application.
